OUR QUALITY AND FOOD SAFETY POLICY

The goal of Tören Gıda Sanayi ve Ticaret A.Ş., which adopts Quality and Hygiene as a way of life, is to make its products synonymous with the concepts of "quality" and "trust." In line with this goal, the top management commits to;

- ❖ Producing in compliance with legal and customer requirements, as well as national and international standards within the scope of quality and food safety,
- ❖ Ensuring food safety at every stage from raw materials to delivery to our customers,
- ❖ Being a leader in the sector in terms of technology and quality,
- ❖ Providing the best products and services to customers through the continuous training of our employees and their participation in the system,
- ❖ Fulfilling the requirements of Halal DHB-OIC / SMIIC Halal standards,
- ❖ Achieving continuous improvement in production and quality practices that respect people and nature,
- ❖ Continuously improving the food safety and quality culture,
- ❖ Meeting customer demands and expectations in the best possible way,
- ❖ Adopts the principles of environmental, economic and social sustainability in line with the objectives of safe food production,
- ❖ Ensuring food authenticity and product integrity by preventing imitation, adulteration, and economically motivated food fraud risks throughout all processes, starting from our supply chain, as a priority responsibility for all of us.

Tören Gıda Sanayi ve Ticaret A.Ş. is aware that the path to customer satisfaction passes through the happiness and satisfaction of its employees, and recognizes the importance of providing the best working environment for its employees while supporting continuous development and learning.

CHAIRMAN OF THE BOARD
Mehmet TÖREN
